

February 2012

Dear Parents,

I will retire from Comprehensive Pediatrics, effective March 23, 2012. Having practiced at Comprehensive Pediatrics for the past 19 years, I have been blessed with the most desirable practice situation any pediatrician could have hoped for. The opportunity to serve the children of Westlake and other surrounding communities has been more fulfilling than I could have imagined when I began the practice of medicine 21 years ago.

I thank you all for the trust and confidence that you have shown in our practice over the years. I am very pleased to inform you that Catherine Arora, MD, Cynthia Strieter-Boland, MD, Cathleen Coyne, MD, Nancy Gasper, CPNP, Stephen Jurak, MD, Brenda McGhee, MD, Scot Occhionero, MD, Mary Lynn O'Connor, CPNP and Kim Turung, CPNP will be assuming the care of my patients, beginning March 26, 2012. They are excellent, well qualified physicians and certified nurse practitioners. I believe that they will continue to provide you with the same quality of care to which you have become accustomed.

Our office will be hosting an open house with refreshments on Friday, March 23, 2012 from 2:00 to 4:00 pm to celebrate my retirement.

I want to thank you again for allowing me to be your child's pediatrician and for the trust you have placed in me throughout the years. I hope that you and your family have many happy and healthy years ahead.

Sincerely,

Ellen Graber, MD
